

KLINE OLASIMAN

LEGAZPI CITY, BRGY. 28 – VICTORY VILLAGE (+63) 967-291-4255 | klineolasiman1@gmail.com

OBJECTIVE

Fourth-year Information Technology student expecting to graduate July 2027, seeking an IT Support position with the Policy, Planning and Research Division (PPRD) of DepEd Region V. Brings hands-on experience in computer troubleshooting, network maintenance, and software development, including a capstone project built specifically for DepEd performance data management, and is looking to grow that experience within the department's data and research systems.

EDUCATION & CERTIFICATIONS

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY

2023 – PRESENT

STI College Legazpi | Expected graduation: July 2027

- Cumulative GWA of 1.75 through 3rd year.
- Dean's Lister, 2023-2024 1st Term Tertiary.
- Sotto Scholarship recipient (Senator Vicente C. Sotto III scholarship program).
- STI Open Scholarship (SOS) recipient.

TECHNICAL SKILLS

- Web development: React, Node.js, ASP.NET, Python, C#, JavaScript
- PC hardware: building, diagnostics, and repair (component-level troubleshooting, thermal maintenance)
- Networking: router configuration, QoS setup, connectivity troubleshooting
- Systems: Windows administration and maintenance, HWiNFO64 performance monitoring
- Productivity automation: Google Apps Script

CAPSTONE PROJECT

DEPED PERFORMANCE MANAGEMENT SYSTEM (DEPED-PMS)

2025 – PRESENT

3-person team project, STI College Legazpi

- Built a shared React Context solution to synchronize notification state across the IPCRF and OPCRF portals in real time.
- Collaborated with two teammates across database/backend and UI workstreams to deliver a functioning capstone system.

EXPERIENCE

Internet Cafe Attendant | Enrichzone Cyber Cafe Network

Apr 2025 – Nov 2025

Provided customer support and ensured smooth daily operations of the café. Handled PC rentals, transactions, and basic troubleshooting while maintaining cleanliness and security. Assisted customers with printing, scanning, and online tasks.

- Managed PC rentals, customer queues, and daily cash transactions while maintaining full shop security.
- Performed basic troubleshooting and maintenance on customer-facing computers and peripherals.
- Assisted customers with printing, scanning, prepaid load transactions, and online tasks such as school forms and email.
- Maintained shop cleanliness and organization during long, fast-paced shifts.

Data Annotation Contributor | Remotasks (Scale AI)

July 2026

Contributed to Scale AI's data labeling pipeline, annotating video and motion-tracking data used to train AI models.

- Completed contributor orientation and produced video captioning and hand-tracking annotations for AI training datasets.

KEY SKILLS

Customer service and communication | Time management | Attention to detail | Teamwork | Reliability and punctuality
